The Who's Who of Philadelphia's Contract Design Industry finally has a Where's Where.

Introducing Schuylkill Square.

A magnificent new Showroom and Exhibit Center where Philadelphia's \$500 million wholesale interiors industry is gathering to display its wares.

Schuylkill Square is one minute from The Metroliner, ten from the airport and straddles the expressway through center city.

It has an incredible 300,000 sq. ft. of superb display space on five different levels.

With 50,000 sq. ft. set aside for trade shows.

Before this, furnishing and decorating and design people were inconveniently scattered all around the area.

Now, we're putting them all together.
